Dear Member:

We are pleased to announce the publication of the eighth annual Young Israel of Hillcrest Yizkor Book which will be used throughout the year at all Yizkor services, beginning with Yom Kippur. At the conclusion of Shavuot, the books can be taken home and a new Yizkor Book will be published for the following year.

This is an opportunity for you to honor the memory of your loved ones with a special message that will be printed in the Book. In addition, the Yizkor Book will contain the Tefillot that are recited at Yizkor services for family members, Holocaust victims and fallen members of the Israeli Defense Forces. Tehillim that are commonly recited at a cemetery will also be included. It is our hope that through your participation in this publication the names and memories of your loved ones will be memorialized.

Full-page commemorations are available for \$180 and half-page commemorations are available for \$100. Otherwise, your commemoration will be included in a listing of names; the charge for the first name is \$18 plus \$10 for each additional name listed. This includes the donor's name and the name of the person being remembered.

A copy of last year's Yizkor Book is available for your inspection in the Young Israel office if you don't have one at home.

If you would like to use the same listing as last year, or want to modify it, check the appropriate box.

If you would like to participate in the Young Israel of Hillcrest Yizkor Book, please complete and return the enclosed form with your full payment to the Young Israel office. All requests are due by September 11, 2017 so that the book can be printed in time for Yom Kippur. In order to avoid additional billing costs, no application will be accepted unless it is accompanied by full payment.

Thank you,
